Knitting Pattern for a paper chain

Make it as long as you like!

**Note:** This paper chain is human sized not puppet sized – it's designed for you to decorate your own house or tree!

**You will need:**

DK yarn in any colours you fancy

Pair 3¼ knitting needles

**Instructions:**

Cast on 32 stitches

Garner stitch for 6 rows

Cast off, leaving a long end.

Make as many as you'd like!

With one piece, sew the short edges together, right sides together

Turn it out the right way

Loop the next piece through this loop and sew the short edges together, right sides together. Turn the right way out.

Carry on until it's the right length for you!
